## The warmth of natural wood; the beauty of possibility.

With real-wood lattice styles this versatile and beautiful, inspiration hits home. Add privacy or polish to your deck, patio and garden, create decorative pieces for interior accent walls, and design into furniture and fencing. Paint or stain to complement your existing décor for a look that's all your own.

With caps for framing and dividers for attaching multiple panels, your favorite living spaces—inside and out—hold possibilities as unlimited as your imagination.
